**Note:** This report summarizes project activity for the 2nd quarter of 2010, and represents funding subject to Section 1512 of the American Recovery & Reinvestment Act of 2009.

ARRA financial data is calculated on a cumulative basis, while ARRA job figures are calculated on a quarterly basis. Note: Dividing Recovery Act money expended by the number of jobs created or retained does not provide an accurate cost-per-job-figure.

The Office of Management and Budget (OMB) revised the ARRA job calculation formula after the 3rd Quarter 2009 reporting period. As a result, job figures are not reported cumulatively.
